The ultimate

**EXPRESSION OF
OPULENCE**

VERSAKURVE

Engineered for those who refuse ordinary walls. For decades, surfaces have been repetitive. We chose to break the obvious. Two commanding sizes, Unlimited possibilities. Combine them. Clash them. Scale them beyond convention. Create compositions no catalog could ever predefine.

This is not another collection - This is a new design language.

With VersaKurve, walls stop being background elements — they become the masterpiece. The era of ordinary panelling ends here.

TWO SCALES, ENDLESS EXPRESSION

VersaCurve introduces a truly innovative approach to interior surfacing with its two distinct panel sizes, thoughtfully designed to unlock endless design possibilities. By combining varying widths of VersaCurve and VersaSheet, designers can create dynamic patterns, seamless transitions between flat and curved panels that bring depth, rhythm, and movement to any space. This unmatched versatility allows every installation to feel unique — from subtle modern elegance to bold architectural statements. Unlike conventional panels, VersaCurve empowers complete creative freedom, making it possible to craft fluid interiors that are sophisticated, distinctive, and beyond ordinary.
